# WEDDING BREAKFAST

**An overview of the events your wedding reception with us could include.**

We welcome you to the hotel following your photographs.

A reception drink may then be served.

The Best Man and Master of ceremonies gather the main wedding party together at the entrance to the suite, for a line up into the wedding breakfast; this is your opportunity to formally welcome all your guests, and for them to congratulate you.

Your wedding breakfast is then announced and your guests take their places. We then announce you into the room – an opportunity for guests to show you their appreciation.

Grace may then be said. The meal is then served, and no further formalities take place until after the desert. Once coffee and toasting wine has been served speeches begin, traditionally as follows: -

- Brides Father
- Groom
- Best Man

When all the speeches have finished the Bride and Groom may cut the cake giving all the guests a photo opportunity.

We then announce the formalities over and the Bride and Groom out of the room. This gives your guests an opportunity to relax prior to your evening arrangements.

# EVENING PARTY

It is now time to relax; the only formality the Bride and Groom may choose is to have their first dance.
